- 1 there are any other issues with respect to other
- 2 proceedings. I know there's an issue with respect to the
- 3 use of the verdict in this case for the arbitration with
- 4 respect to whether the ACS Multi-link is covered by this
- 5 patent, and I think that's an important issue, and I
- 6 would like to hear from you folks about that, because
- 7 it's difficult for me, the ACS stent of all the stents
- 8 that were at issue initially was the stent that most
- 9 closely -- was most closely patterned after some of the
- 10 claims because it's a tube, if slots were taken out.
- You know, so it's hard for me to imagine
- 12 that there's a real issue here, but obviously, I'm not
- 13 an advocate, I've just sat through this testimony
- 14 enough.
- So, Mr. Underhill, why is it that you think
- 16 Cordis has to prove this once again? And I assume you're
- 17 only bringing this up because somewhere you believe they
- 18 are precluded from proving it in this trial. Otherwise,
- 19 we're just talking about ten minutes of testimony?
- MR. UNDERHILL: Your Honor, we believe that
- 21 they can put on testimony with respect to the ACS. What
- 22 they can't do is rely upon the arbitration decision.
- The arbitration decision was under a
- 24 different claim construction. It was under a different
- 25 claim construction with respect to substantially uniform
